To those seeking Grant support:

St. Margaret's Church endeavors to share God's love with individuals and communities outside our church. We do this in several ways: we help with missions, we channel church funds toward various charitable organizations, and we encourage parishioners to join us in various hands-on ministries.

In 1997 our congregation established a grants program tied to the endowment and that program has made grants well in excess of \$1 million to programs in Annapolis and around the world. Our endowment blesses us with about \$100,000 to distribute in grants each year.

In our ongoing work to share God's love with individuals and communities outside our church, the new Missions Commission will primarily focus its efforts on the following priorities:

- Endow the poor and hungry;
- Restore and heal the broken;
- Promote, preserve and sustain the environment;
- Improve access to educational opportunities.

We are seeking and evaluating opportunities to provide time, talent and financial support based on these priorities.

Accordingly our Missions Commission is now accepting grant applications submitted no later than November 30, 2007 for 2008 grants. Grant distribution will be announced by June 1, 2008.

If you are interested in learning more about our grant process, please contact our Missions Commission Administrator, Elizabeth Winn (Izzy), at missions@st-margarets.org or 410-974-0200. **Grant application forms, instructions and guidelines**, along with up-to-date information about our church worship, programs and ministries are available at www.st-margarets.org.
