Children leave the nave during the sequence hymn following behind the cross which will come down the aisle and then go into the downstairs annex classroom with the children rejoining their parents at The Peace.

#### NURSERY AVAILABLE

Children are very special to us here at St. Margaret's, and we have a lovely, newly refurbished nursery in our annex building that adjoins our sanctuary (down a short flight of stairs). It is open from 8:30 a.m. to 12:30 p.m.

#### SUNDAY SCHOOL

Today is the last day for our 2016-17 Sunday School program year for children and youth during the formation hour of 10:15 to 11 a.m. Please ask an usher for assistance in finding a particular classroom.

Want to know more about Christianity? About how the Church became what it is today? About the Bible? About your personal ministry?

EfM is a four year study program through the School of Theology at the University of the South, Sewanee, Tennessee. We look at the Bible historically, literally, metaphorically, theologically, and scientifically" (using science now known, we can apply dates, ascribe authorship, have political background, etc.). We refer back to historical things - which certainly set the pace - but also look at social and political ramifications. Consideration is directed at social justice movements that have impacted our world community.

Part of our class time is sharing what we have read that week, not a book report, but how the reading touched us in some way. The chapter lessons have a common theme that crosses the four-year study. Another part of our discussion is called "Theological Reflections" in which we discuss sometimes words, sometimes issues, sometimes concepts.

St. Margaret's EfM meets on Wednesdays from 9 am until 11:30 weekly September through May in the Formation Building. Please contact Karen Engelke ([karenengelke@aol.com](mailto:karenengelke@aol.com)) (410-562-3624) or Jim Hall ([jhall1942@verizon.net](mailto:jhall1942@verizon.net)) (410-956-5120). The cost is \$375 and includes all texts. Scholarship help is available. Students who have completed a year or more previously are encouraged to rejoin the program; or if you want to explore EfM through the new texts, you are very welcome.
