Guidelines and Application for 2019 St. Margaret's Church Grants (Submission Deadline: Mail Postmark no later than Friday, November 30, 2018)

Any organization or individual may submit one grant application aligned with the stated guidelines. Applicants need to demonstrate that they have secure and reliable access to the funds awarded by the committee. All documents on the Required Documents Checklist (p.9) must accompany the application.

Grant requests should be compatible with one or more of our mission priorities. Compatibility with more than one priority does not assure preference for consideration. Priorities are:

- Endow the poor and hungry with the means to feed, shelter and clothe themselves
 - particular consideration for opportunities that help others sustain themselves
- Restore the ill to health and heal the broken
 - consideration includes prevention of human brokenness and healing the broken
- Promote, preserve and sustain environmental health and good practices
 - primary considerations are sanitation, human health, sustainability and reduction of destructive and dangerous environments
- Improve access to educational opportunities;
 - consideration includes efforts that empower the powerless and enfranchise the disenfranchised.

To be eligible for consideration grant requests must

- Demonstrate need;
- Support one of the following: a new initiative; an expansion or addition to an existing program/project; an exceptional, short-term need for assistance with general operating expenses;
- Show clearly defined project goals and objectives: detailed schedules, budgets and personnel;
- Explain methods to measure and evaluate the effectiveness of the program/project after implementation.

We favor programs that

- Empower those being served to reach greater independence;
- Foster or maintain relationships between program personnel and those served by the program;
- Invite, when feasible, volunteer participation involving St. Margaret's Church;
- Emphasize sustainability.

Grants are awarded for one year. St. Margaret's grants are not intended to provide consecutive years of support. Also, funding can not be committed in advance for multi-year program needs. Follow-up grant proposals must be newly submitted for consideration in the next application cycle, however frequent and repetitive applications will not be well received by the committee. Specifically, grant recipients who have received three grants in the past three years should not apply this year. Applicants who have been turned down previously may apply again by submitting a new up-to-date application.

Our focus is on the mission and not on the money. Requests are not restricted by a minimum or a maximum amount. Grants may be awarded for less or more than the requested amount. Our previous grants have ranged from low four figure amounts to high five figures. For a list of recent grants, see MISSIONS/ Grants Program on our website www.st-margarets.org.

2019 St. Margaret's Grant Submission Instructions and Timeline

Deadline: Mail Postmark* Friday, November 30, 2018 Submission by mail of one paper/hard copy of the application. Additional PDF (backup only) of the application can be emailed no later than midnight November 30, 2018 to: missions@st-margarets.org

Address mail to: Grants Administrator / St. Margaret's Church
1601 Pleasant Plains Rd.
Annapolis MD 21409

****Do not send applications by certified mail because that actually causes non-delivery to the church and great inconvenience to our staff! Overnight mail is not necessary.*** The postmark indicates the submission date. Acknowledgement of receipt of your application will come to you by e-mail. (Note: We appreciate applications mailed earlier in November, if possible.)

Instructions for grant submission:

ONE (1) unbound, single-sided paper copy of the 2019 application. (Tax and support documents do not need to be one sided) **Use paper clips - NO staples.** NO handwritten applications, please, unless there is no other way, and in that case legibility is crucial

ONE (1) copy only of each attachment

Do not use color highlights in the body of the application (they do not copy well)

Include additional supporting documentation that is applicable or required

Grant Review Process

Dec-January - The Grants Committee reads and discusses all received applications to determine which proposals are best suited this year for in depth consideration to receive a grant of any size.

Early February - Grants Administrator notifies by e-mail the listed contact on each application not selected for the final consideration process.

February - Applicants selected for final consideration will be assigned one or two liaisons from our church to connect with the contact person named in the application. Liaisons will make contact, arrange and then visit the program/project in person, or by phone or Internet (Skype etc.) when distance makes personal visits unreasonable or impossible.

Late February - March - It is the custom of the St. Margaret's Grants Committee to interview the final applicants, or applicant representatives, with their liaisons also present, for 30 minutes (usually) at a meeting at St. Margaret's Church on one of the pre-scheduled Tuesday night meetings (7-9pm) in February and March. If distance is an issue, interviews can be done by conference call or Skype/Internet video chat with advance arrangement. Dates and times for interviews must be mutually agreeable and pre-arranged. Liaisons will coordinate arrangements with the applicant and the St. Margaret's Grants Administrator. In unusual situations, when no other option is possible, the liaison may represent the applicant at a Grants Committee meeting by referring to answers of pre-asked questions.

Late April - Early May - Decisions announced and communicated by e-mail to the applicant contact. Recipients of grants are required to sign an agreement outlining the terms and conditions of the financial award before receiving a grant check. Grantees are expected to return the signed agreement immediately and no later than July 1 following notification. Failure to respond in a timely manner will jeopardize the grant award.

June or later depending on the returned agreement checks mailed.

Nov. 1 Midterm Report must be submitted in writing by the recipient organization or project representative. Forms will be e-mailed at the appropriate times to the recipient for reporting purposes.

July 1 Final Report must be submitted in writing by the recipient organization or project representative. Forms will be e-mailed at the appropriate times to the recipient for reporting purposes.
