Registration is NOW Open for the Day School's annual summer camps that offer weekly-themed summer learning programs for children ages 2-9.

The St. Margaret's Day School Board of Trustees is looking for a new Board Chair who will replace Susan Roberts at the end of her two consecutive terms this coming Fall 2019. The St. Margaret's Day School Board oversees the activities and affairs of the school. The Board Chair, a volunteer position, is responsible for leading monthly Board meetings, overseeing the finances of the school, presiding over the financial aid, nominating and executive committee meetings, and advising the Rector of St. Margaret's Church in reviewing and preparing the annual contract for the Director of the school. The search committee is looking for a visionary to take the school to another level of programmatic excellence in partnership with the Director's vision for the school. The ideal candidate would have a background in early childhood education or have strong roots in non-profit management, have an ability to advise on financial matters, have strong liaison skills and the ability to form successful partnerships between the church, school, and community through the development of active board committees. The next Board Chair will find that St. Margaret's Day School is thriving under the current leadership and provides a wonderful opportunity to be involved in something truly special in our community. If interested or with any questions, please email Elizabeth Parker at dr.eparker@gmail.com.
