Announcements for June 20, 2021

Welcome Back!
We are thrilled to offer indoor worship for the first time since last year! Here are some guidelines to follow:
*We still wear masks inside.
*We may sing inside with masks on.
*Hand sanitizer is available in the narthex and at the front of the sanctuary.
*We will continue to share an elbow bump and smile during the passing of the peace.
*Please be conscious of physical distancing. Four feet is the recommended distance now.
Thanks to all for continuing patience and adherence to all safety rules.
A link to sign up to attend a Sunday service will be emailed out to the parish and available on our website homepage (*www.st- margarets.org*) each Monday before the Sunday service. Lectors (readers) and acolytes are needed. If you wish to serve, email info@st-margarets.org.

Newcomers Welcome
If you are new to St. Margaret's, we offer a special welcome. Our parish is very dynamic where service is a priority, where you can question your own faith journey, and where everyone is welcome to receive communion. If you would like to know more about our church, contact us using our contact form on our Newcomers page o our website at **www.st-margarets.org/newcomers.html**. And be sure and take a yellow bag from an usher that provides a lot of information about the St. Margaret's community.

Anne Arundel Media Center Blood Drive - Critical Need

Recognizing and Responding to Behavioral and Mental Health Crises--What to do/Who to Call
Wednesday, June 23 - 7 to 8:30 p.m.
St. Andrew by the Bay Upper Hall

One in five of us suffers from some form of mental illness. Substance misuse and mental illness are on the rise. So how can we mitigate these threats to our good health and the health of our community?

This seminar will offer practical information to
*Be more aware of potential behavioral and mental health crises; and
*Know what to do and who to call when needed.

The presentation is open to adults and youth.
Led by Jen Corbin, director of AA County's Mental Health Agency Crisis Response Services.
Joined by Lt. Thomas of the AA County Police Department, representing their Critical Intervention Team. Our county's Crisis Response Team has been recognized internationally for best in class services.
