Guidelines/Application for Baptism 2021

Congratulations on considering St. Margaret's as the community through which your child will be baptized into Christ's body. We welcome all who wish to be baptized into the Body of Christ at St. Margaret's, and we will make every effort to make you feel comfortable as an active member of our faith community.

Our baptisms take place in the context of Sunday worship (except for the Easter Vigil), typically at either the 9 a.m. or 11:15 a.m. services. We do not perform private baptisms.

Choosing Sponsors (or Godparents): Sponsors must be baptized, active members of a Christian community. Traditionally, two or three sponsors are chosen.

Pre-baptismal Formation: to enhance your experience of St. Margaret's, this one-time class will prepare you for the baptism service and for participation in Christ's Body, the Church. This instruction usually takes place before the baptism date on a Saturday morning from 10 a.m. to noon in the sanctuary. You do not have to take the class if you have already had a child baptized at St. Margaret's.

Baptism Date: May 23, 2021

Please select your preferred time for the Baptism service: 9:00 a.m. 11:15 a.m. 7:30 a.m.
