This program is a powerful new collaboration between journalists and musicians, exploring honor, courage, loss, and hope. With music, poetry, and memoir, and featuring two of NPR's most storied war correspondents, this extraordinary work of art is as mesmerizing as it is timely. Proceeds benefit the Wounded Warriors Foundation. Come out and support parishioner Carolyn Surrick for this event.

#### New to St. Margaret's?

Please fill out a Connect card found in your pew pouch and place it in the collection plate or give to a member of clergy. We are happy to have you here!

Do you have a loved one who died in 2019? So they can be added to the All Saints' Day Necrology list, please provide the name to [laura@st-margarets.org](mailto:laura@st-margarets.org) by Oct. 28.

Our new communications and record keeping system is here! You can use your computer or use the Connect Realm app for your phone. Please sign in and register online before using the app.

You should have received a personal invitation through a Realm email that will give you directions on how to log in and activate your account. If you don't see it, check your spam folder. Or call the office and we can issue you one right then.

- Your profile will most likely already be in there. Search for it first before adding your information.
- We have "opted" people in to be placed in the church directory. You will get an email from Realm about your privacy settings. If you don't want to be listed in the directory, change your settings with your preferences. You can get there by going to your Profile and clicking on the privacy lock at the top.
- Check your "groups" tab and add or take yourself out of any of which you are not participating.

Groups will be communicating through Realm; registration and payments for events will be done through Realm; giving online is done through Realm, and soon all communications among parishioners will be done through Realm.
